Membership Rules

Mission

The Cheremosh Social Club at the UECC was established in 2026 to preserve and share Ukrainian spirit and culture by providing a social environment in which members could enjoy each other's company, as well as a variety of educational and cultural activities. The Cheremosh Social Club strives to build strong community ties, foster a sense of belonging and support the local community by welcoming all who support Ukraine and Ukrainians.

Member Conduct

The Cheremosh Social Club does not tolerate and prohibits harassment, abuse, bullying, disruptive behavior, abuse of alcohol and other forms of misconduct. Members are expected to be courteous, respectful, and professional in their interactions with other members and staff.

Guests

Members are limited to two guests per visit (the member must be present at the time of the visit). Guests are required to sign in. Members are responsible for their guests' conduct, actions, and adherence to club rules. Members can be held responsible for any property damage or injury caused by their guests.

Minors

Minors cannot remain on the premises without their parents or guardians. This is in accordance with the Pennsylvania Liquor Code. If a minor comes to the Social Club, he/she must leave at the same time their supervising adult leaves. Minors cannot be seated at the serving bar.

Use of Facilities

Access to the Cheremosh Social Club facilities is restricted to members and their guests. No outside alcoholic beverages. No drugs. No smoking.

The purpose of these Rules is to enhance the positive and secure experience for all individuals affiliated with the Cheremosh Social Club. While they do not aim to address every possible issue that may arise for governance, we regard these Rules as having the authority of bylaws. We are committed to enforcing them by imposing sanctions on members and guests who breach them, and in specific instances, by suspending or terminating access to the premises for both members and guests. These Rules may be amended periodically, as determined by Cheremosh Social Club acting on behalf of UECC in its sole discretion.
